

- **Dream School:** The Dream School serves both the children in our family homes in Pokhara, Nepal, and students from the surrounding community. Last month, we welcomed new teachers and kicked off the new school year! Please pray for our new hires and students, for wisdom in upcoming parent meetings, and for energy and clarity as we continue training our staff to provide kingdom-class education.
- **Burkina Faso Political Instability:** Deepening political instability and rising regional tensions continue to challenge operations in Bobo-Dioulasso. Despite exhausting heat and mounting pressure, our team remains steadfast—faithfully serving those at risk. Restricted access and ongoing uncertainty directly affect their ability to protect the vulnerable through monitoring. Please pray for stability in the region, strength and protection for our team, and open doors to continue their life-saving work with resilience and hope.
- **Prayer for Strategic Partnerships in Malawi:** As Love Justice Malawi (LJM) undergoes restructuring, strong collaboration in the fight against human trafficking is more critical than ever. We thank God for a recent partnership with an NGO that helped identify a child sex trafficking case, leading to the rescue of a 12-year-old girl and the arrest of a suspected trafficker. LJM facilitated the arrest, temporarily sheltered the girl, and the partner NGO is now providing ongoing care. Please pray for God's guidance as we work to formalize this partnership and for open doors to develop similar collaborations that will expand our impact.

- Love Justice Podcast: As we strive to produce a kingdom-class podcast that shares stories about our work, we ask the Lord to increase its reach and impact. Please pray for wisdom in selecting content and guests, so that the plight of the most vulnerable is shared clearly—and that many would come to see the power and glory of God as we partner with Him to advance justice.
- Funding: As we explore new partnerships and seek those who are brokenhearted for this work, we ask the Lord to lead people into generosity and open doors to individuals who want to help impact the world alongside us.
- Gospel Impact: We ask the Lord to open doors for us to share the gospel through our work. We also pray for those who have already been impacted—that they would grow strong in their faith, become rooted in churches and communities that will support them, and boldly share the gospel in their home villages and towns, so that the kingdom of God would advance powerfully.
